This will be followed by a BBQ dinner and live music with children being invited to sit with their own families, or with their new Four Seasons Fairways friends.

02 JUNE

At 15h our Kids Club team will lead youngsters with an exclusive behind the scenes tour, where they will discover the different professions in a resort like ours (Chefs in the kitchen, reception's back office, maintenance shops, laundry, gardening, storages etc.).

After seeing the backstage, it's time to bring out the hidden talents. Our Barmen will host a Mocktail Workshop, showcasing fabulous drinks and how to make them. And lastly, football with António at 16h.
